REDUCE, REUSE, RECYCLE

SUSTAINABLE SOLUTIONS FOR GLOVE WASTE

REDUCE: CHOOSE QUALITY

Invest in high-quality gloves sourced from sustainable materials to minimize waste. Our partnership with FSC-certified suppliers ensures responsible forest management. SW's Ecotek technology and California Green Business certification reflect our commitment to reducing waste and preserving the environment. Durability reduces glove waste, emphasizing the importance of investing in high-quality gloves like those offered by SW.

REUSE: EXTEND GLOVE LIFESPAN

Disposable gloves can be reused with proper disinfection methods. SW provides transparent glove quality specifications, adhering to ASTM D412 standards. Our durable gloves withstand multiple uses, saving money and reducing carbon emissions without compromising on protection.

RECYCLE: EMBRACE BIO-BASED SOLUTIONS

Explore bio-based materials like SW's TotalForm glove series, combining EcoTek technology with sustainable alternatives. These materials are easier to recycle, reducing energy consumption and minimizing microplastic production. Join us in promoting a circular waste economy for a greener future.
