COLOR

A lightweight glove that offers comfort and control for handling of small parts in medium-risk environments.

AxiFybr[®] provides cut protection yarn fused with enhanced comfort knitted liner and dexterity with ANSI A3 cut resistance while palm coating delivers ANSI 4 abrasion resistance.

- 18-gauge AxiFybr[®] engineered liner for enhanced comfort dexterity, and ANSI A3 cut protection
- REACH compliant flat PU palm coating for durability, extended wear, and consistent handling performance
- Engineered for wet, oily, and light lubricant environments with up to 25% better wet grip and 50% better oil grip for safer, more controlled handling
- Flat coating palm helps keep hands cleaner and more professional during prolonged use
- Touch Ready – enables seamless use of touchscreen devices without removing gloves

Performance ratings are based on laboratory testing conducted under controlled conditions. Actual performance may vary depending on the specific application, exposure conditions, and work environment.

WEAR-RESIST

Compliant PU coating with higher abrasive property, minimize the risk of contamination concern
